Mail or bring the form below to any PrimeTrust branch to skip a loan payment

Interest will continue to accrue on the unpaid balance of your loan and will be part of your final payment. Thus, the amount you will pay during your loan will be more than the amount originally disclosed and could extend your loan term. If you have any questions concerning how this Skip-A-Payment plan will affect your loan balance or GAP coverage, please contact the PrimeTrust Call Center at 765-289-2148. Please note: If your payment is made through payroll deduction, we skip two pays for bi-weekly and semi-monthly, and four pays for weekly. The "skip" is for one month only. Other exclusions may apply.
